Step 6: Your Fees

(1) Order Management Fee

Before you can share with your clients the link to the orders page, you are required to pay (upfront) an [Order Management Fee](#) of **2%** per order. Your Order Management Fee is calculated as...

Maximum Allowable Order Qty x Average Price of your meal options x 2%

$$50 \times R60 \times 2\% = R60$$

We will **pay back** to you (**REFUND**) - the difference between the total order management fees you pay now and the fees payable based on the actual number of orders placed (if less).

+ (2) Transaction Fees

If you selected the option for users to pay online when they place the order, we will deduct a further [Transaction Fee](#) (from the order amount) paid, based on the payment option selected: If YOCO option is selected (payment made in ZAR only): 2.95% of order value; If PayPal option is selected (payment in multi currencies by credit card or PayPal account): 4.90% of order value + 0.30USD

Pay OMF
